**ADVANCED PIGMENT TECHNOLOGY**

#### GENERAL

Turf Screen Pure Green is a unique blend of dark green pigment and Advanced Pigment Technology designed for use during the spring and summer months. TS Pure Green will improve turf quality appearance, improve turfs' ability to withstand extreme environmental stress and provide exceptionally long-lasting color. TS Pure Green can be used on all turf grass types in any geographic region.

#### STORAGE AND HANDLING

Store in a cool, dry place; keep container tightly closed; do not add water or other material to the container. Do not allow this product to enter sewer, lakes or streams. Store above 32°F (0° C). **DO NOT ALLOW TO FREEZE.**

#### DISPOSAL

This product must be disposed of in accordance with all applicable federal state and local regulations. This product is not identified as a RCRA hazardous waste under 40 CFR 261, and is not regulated under CERCLA.

#### LIMITATIONS OF WARRANTY AND LIABILITY

Turf Screen Pure Green can stain clothing and porous material; Turf Max LLC, the seller will not be responsible for damages to materials that are not intended for use and contact with those materials should be avoided. It is impossible to eliminate all risks inherently associated with the use of this product. Crop injury, ineffectiveness, or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or the manner of use or application, all of which are beyond the control of Turf Max LLC. All such risks shall be assumed by the buyer. To the extent consistent with applicable law Turf Max LLC, the seller, shall not be liable for consequential, special or indirect damages resulting from the use or handling of this product. Except as warranted by this label, Turf Max LLC, the seller makes no warranties, guarantees, or representations of any kind, either express or implied, or by usage of trade, statutory or otherwise, with regard to the product sold, including, but not limited to, merchantability, fitness for a particular purpose use or eligibility of the product for any particular trade usage. To the extent consistent with applicable law, buyers or user's exclusive remedy, and Turf Max LLC, the seller's total liability, shall be for damages not exceeding the cost of the product.

#### FIRST AID

If in eyes: Slightly irritating to the eyes.

If on skin: Slightly irritating to the skin.

If Inhaled: No known significant effects or critical hazards.

If Ingested: No known significant effects or critical hazards.

Medical conditions aggravated by over exposure: Repeated or prolonged contact with spray or mist may produce chronic eye irritation and severe skin irritation. Repeated skin exposure can produce local skin destruction or dermatitis.

Inhalation: If inhaled, remove to fresh air. If breathing is difficult, give oxygen. If not breathing, give artificial respiration. Get medical attention.

Ingestion: Do not induce vomiting unless directed to do so by medical personnel. Never give anything by mouth to an unconscious person. If potentially dangerous quantities of this material have been swallowed, call a physician immediately.

#### PERSONAL PROTECTIVE EQUIPMENT

EYE PROTECTION is required to diminish the risk of injury.

The use of a DUST/MIST RESPIRATOR should be worn in the event of possible exposure to mist during or after application.
