By using this product, you are deemed to have accepted the terms of this notice.

Questions and Information about components of the product lot may be obtained by phone 972.483.6408

APPLICATION RECOMMENDATIONS

IQ KickuP™ can be soil or foliar applied. It may be tank mixed with other fertilizers or agricultural chemicals after conducting a jar test for compatibility. Always treat a small test area with any experimental blends to determine potential phototoxicity before making general applications.

Apply 1 to 2 pounds of IQ KickuP™ per acre every 14 to 28 days, as needed to maintain healthy turf. For high stress, high pressure or remedial applications, higher rates may be needed. First discuss with agronomist.

WARNING: Product contains boron. Use of this fertilizing material on any crops other than those recommended, or boron sensitive crops/plants, may result in serious injury to the crop(s). Use only according to manufacturer's directions.

Danger

HAZARD STATEMENTS

May damage fertility or the unborn child.

PRECAUTIONARY STATEMENTS
