### NOTICE TO BUYER

This product is intended for uses as a non-plant food, only. Users must exercise all due professional judgment and caution when applying the product under their own particular growing conditions.

### LIMITATIONS OF WARRANTY AND LIABILITY

Green Industries, Inc. and any other seller, warrants only that this product conforms to the chemical description on the product label. No other warranty, express or implied, as to the merchantability, fitness for a particular use, or otherwise shall apply. Purchaser's exclusive remedy for loss or damage related to the purchase and/or use of this product shall be limited to the refund of the purchase price, only. By using this product, you are deemed to have accepted the terms of this notice.

### APPLICATION RECOMMENDATIONS

P-Release is a fulvic acid based fertilizer additive which is designed to enhance the application of fertilizers. It may be applied as a direct foliar or used in a fertigation system. P-Release may be tank mixed or injected with most other fertilizers or agricultural chemicals after conducting a jar test for compatibility. Always treat a small test area with any experimental blends to determine potential phytotoxicity before making general applications.

**SPRAY APPLICATION:** Apply 0.75 to 3 ounces per 1,000 sq. ft. or 1 quart per acre every 14 to 28 days in at least 1 gallon of water. Apply only as directed.

**SHAKE WELL BEFORE USING**

### STORAGE INFORMATION:

Should be stored in a climate controlled environment between 50-90° F. Failure to follow storage guidelines may lead to crystal formation or product degradation.

For Commercial Use Only.

**KEEP OUT OF REACH OF CHILDREN & PETS**

**2.5 Gallons (9.46 L)**

**23.4 lbs (10.6 kg)**
